# Travel Journalist Log

---

Travel Journalist's Name

---

Site

**You are a travel journalist showing people what there is to see at Mackinac State Historic Parks. Your job is to visit a historic site and take notes about what you see and experience there.**

**Once you have these notes you can do some research back home and come up with a brochure telling people what there is to do and see at the site.**

**Good luck and take a lot of notes!**

**Stand so you can see most of the site around you or with the lake in front of you.**

**Where are you standing (near building/site?):**

---

---

**Describe what you see in front of you. Is there anything happening? Any landmarks?**

---

---

---

---

---

---

---

---

---

---

**Draw a simple sketch of what you see around you (or take picture):**

**What type of landforms do you see? Do you see trees? Islands? Hills? Lakes? Other?**

---

---

---

**When you travel you need to use some sort of transportation to get to your destination. How did you get to this site from your home?**

---

**How long did it take you to get here?**

---

**Did you use any other forms of transportation on this trip? \_\_\_\_\_**

---

**Is there a store or place to buy food at this site? \_\_\_\_\_**

---

**What is the weather like today? Sunny? Cloudy? Cold? Warm? Rainy?**
